Dear \_\_\_\_\_,

As we strive to maintain the excellence of our beloved club, we are reaching out to kindly request your assistance through donations. A contribution of \$50 could significantly aid us in covering monthly awards, ensuring that our members are duly recognized for their achievements. With \$100, we could enhance our supplies and bolster our year-end awards. A donation of \$150 would go towards acquiring a high point buckle, a cherished symbol of accomplishment in our equestrian community. For those with the means to contribute \$300, your generosity would sponsor our esteemed year-end banquet, a pivotal event in celebrating our riders' successes and fostering camaraderie within our club. Your support, in any amount, is greatly appreciated and instrumental in the continued success of our endeavors. Thank you for considering our cause and for your commitment to our shared passion for horses, riders and the western lifestyle.

#### **WHO WE ARE**

LCRHAA was established in 1961 by Bud Johnson in Winslow, AZ. We are dedicated to promoting, preserving and protecting horsemanship. We welcome riders from all over Northern Arizona of all ages and levels to participate in our monthly gymkhana events. Our members strive to encourage, establish and maintain a network of members throughout the area, supporting equestrian endeavors and activities. LCRHAA is committed to having a common bond of fellowship, communication, education, good sportsmanship and fellowship.

#### **THE NEED**

In order to keep our membership and entry fees down- we need the help of the community with sponsorships. All sponsorships go 100% back to the club, helping with purchasing supplies, monthly event awards, year end awards, and our end of year banquet. Any amount is much appreciated.

#### **WHAT YOU GET**

A huge thank you and recognition for supporting our club. Your business will be advertised on both our facebook page and website.
